

FIRST RESPONSE TRAINING

THIS TRAINING WILL COVER
WHAT TO DO WHEN A CHILD
DISCLOSES MALTREATMENT

THE **FIRST** PROCESS TEACHES THREE CRITICAL COMPONENTS:

- HOW TO RECOGNIZE SIGNS AND SYMPTOMS OF ABUSE AND MALTREATMENT.
- HOW TO LISTEN AND RESPOND TO A CHILD'S NEEDS.
- HOW TO EFFECTIVELY AND ACCURATELY REPORT ANY FORM OF MALTREATMENT TO AUTHORITIES.

This 2.5 hour interactive training will give you the tools necessary to respond to a child that discloses abuse to you.
